1. Basis of Presentation

The accompanying consolidated financial statements, which include the accounts of Capital Southwest Corporation and its wholly-owned small business investment company subsidiary (the "Company"), have been prepared on the value basis in accordance with generally accepted accounting principles for investment companies. All significant intercompany accounts and transactions have been eliminated in consolidation.

The financial statements included herein have been prepared in accordance with generally accepted accounting principles for interim financial information and the instructions to Form 10-Q and Article 6 of Regulation S-X. The financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in the Company's annual report on Form 10-K for the year ended March 31, 1996. Certain information and footnotes normally included in financial statements prepared in accordance with generally accepted accounting principles have been condensed or omitted, although the Company believes that the disclosures are adequate for a fair presentation. The information reflects all adjustments (consisting of normal recurring adjustments) which are, in the opinion of management, necessary for a fair presentation of the results of operations for the interim periods.

(1) Net decrease is due to the exercise of employee stock options at prices less than beginning of period net asset value.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

Interest income in the nine months ended December 31, 1996 decreased from the year-ago period primarily because of the repayment of debentures by

portfolio companies offset somewhat by an increase in invested idle funds. During the nine months ended December 31, 1996 and 1995, the Company recorded dividend income from the following sources:

	Nine Months Ended December 31	
	1996	1995
	-----	-----
Alamo Group Inc.	\$ 798,000	\$ 798,000
The RectorSeal Corporation	640,895	1,229,019
Skylawn Corporation	300,000	150,000
Cherokee Communications, Inc.	108,000	108,000
Westmarc Communications, Inc.	60,953	60,953
Humac Company	-	208,200
Texas Shredder, Inc.	28,125	168,750
Other	62,371	71,599
	-----	-----
	\$1,998,344	\$2,794,521
	=====	=====

Interest expense in the nine months ended December 31, 1996 decreased from the year-ago period due to the repayment of bank debt and a subordinated debenture and due to the accrual of interest in the prior year on the deferred tax related to the installment sale of MESC Holdings, Inc.

During the nine months ended December 31, 1996, the Company reported a realized gain before income taxes of \$1,460,005. It should be noted that a realized gain before income taxes and a decrease in unrealized appreciation before income taxes are directly related in that when an appreciated portfolio security is sold to realize a gain, a corresponding decrease in unrealized appreciation occurs by transferring the gain associated with the transaction from being unrealized to being realized. Conversely, when a loss is realized on a depreciated portfolio security, an increase in unrealized appreciation occurs.

Set forth in the following table are the significant increases and decreases in unrealized appreciation (before the related change in deferred taxes and excluding the effect of gains or losses realized during the periods) by portfolio company:

	Three Months Ended December 31		Nine Months Ended December 31	
	1996	1995	1996	1995
	-----	-----	-----	-----
Alamo Group Inc.	\$ 5,359,000	\$ -	\$(1,609,000)	\$ 3,920,000
