

Capital Southwest Supports Stone-Goff Partners' Investment in Danforth Advisors

February 11, 2019

DALLAS, Feb. 11, 2019 (GLOBE NEWSWIRE) -- Capital Southwest Corporation ("Capital Southwest") (Nasdaq:CSWC), an internally managed business development company focused on providing flexible financing solutions to support the acquisition and growth of middle market businesses, announced today that it supported Stone-Goff Partners' recent investment in Danforth Advisors, LLC ("Danforth"), a leading provider of outsourced finance, accounting and strategic services to the life science and healthcare industry. Capital Southwest provided a revolver, first lien term loan and an equity co-investment. Capital Southwest will act as the sole investor and administrative agent for the credit facility.

"We are pleased to partner with Stone-Goff on its investment in Danforth. Stone-Goff has extensive experience in the business services sector and we believe its strategic and operational acumen will enhance the exceptional management team and consultant base at Danforth. We look forward to supporting Danforth as it accelerates its next phase of growth," said Douglas Kelley, Managing Director of Capital Southwest. Curtis Harrison, Principal of Capital Southwest said, "The life sciences industry is dynamic and complex. Danforth delivers the high level of strategic and financial sophistication required by its client base and has proven itself capable of guiding a company from inception to exit."

Founded in 2011 and headquartered in Somerville, Massachusetts, Danforth offers an integrated and scalable "one-stop shop" solution for life science companies for all operations from controller through CFO performing activities ranging from accounting and operational finance services, to financial planning and analysis, M&A and IPO readiness. The Company has served as a strategic and trusted thought partner to over 300 clients across all stages of a company's life cycle. Danforth employs a deep team of consultants who are experienced finance and accounting professionals, including CFOs, Big 4 public accounting alumni, corporate controllers, start-up accountants and subject matter experts.
