Our portfolio continued to perform well, producing \$0.72 of pre-tax net investment income for the quarter, which more than earned both our \$0.57 per share regular dividend and our \$0.06 per share supplemental dividend paid for the quarter. In addition, our Net Asset Value per share increased to \$16.77 from \$16.46, an increase of 1.9% compared to the prior quarter. In consideration of the strong performance of our portfolio, the Board of Directors has again declared a regular quarterly dividend of \$0.57 per share for the March 31, 2024 quarter. Given the continued excess earnings being generated by our floating rate debt portfolio, our Board of Directors has also declared a supplemental dividend of \$0.06 per share for the March 31, 2024 quarter, resulting in total dividends for the March 31, 2024 quarter of \$0.63 per share. While future dividend declarations are at the discretion of our Board of Directors, it is our intent to continue to distribute quarterly supplemental dividends for the foreseeable future while base rates remain materially above long-term historical averages and we have a meaningful UTI balance."

Third Fiscal Quarter 2024 Operating Results

For the quarter ended December 31, 2023, Capital Southwest reported total investment income of \$48.6 million, compared to \$42.8 million in the prior quarter. The increase in investment income was primarily attributable to an increase in average debt investments outstanding and an increase in dividend income due to distributions received from portfolio companies.

For the quarter ended December 31, 2023, total operating expenses (excluding interest expense) were \$7.3 million, compared to \$5.9 million in the prior quarter. The increase was primarily attributable to an increase in accrued bonus compensation in the current quarter.

For the quarter ended December 31, 2023, interest expense was \$11.5 million as compared to \$10.5 million in the prior quarter. The increase was primarily attributable to an increase in average debt outstanding and an increase in the weighted average interest rate on total debt.

For the quarter ended December 31, 2023, total pre-tax net investment income was \$29.8 million, compared to \$26.4 million in the prior quarter.

During the quarter ended December 31, 2023, Capital Southwest recorded total net realized and unrealized losses on investments of \$5.4 million, compared to \$4.2 million of total net realized and unrealized losses in the prior quarter. For the quarter ended December 31, 2023, this included net unrealized gains on I-45 SLF of \$0.8 million, net realized and unrealized losses on equity investments of \$0.6 million and net realized and unrealized losses on debt investments of \$5.6 million. The net increase in net assets resulting from operations was \$23.5 million for the quarter, compared to \$22.6 million in the prior quarter.

The Company's NAV at December 31, 2023 was \$16.77 per share, as compared to \$16.46 at September 30, 2023. The increase in NAV per share from the prior quarter is primarily due to pre-tax net investment income in excess of dividends paid for the quarter, as well as the issuance of common stock at a premium to NAV per share through the Equity ATM Program (as described below), partially offset by net realized and unrealized losses on investments.

Borrowings under the Credit Facility accrue interest on a per annum basis at a rate equal to the applicable SOFR rate plus 2.15%. On August 2, 2023, CSWC entered into the Third Amended and Restated Senior Secured Revolving Credit Agreement which (1) increased commitments under the Credit Facility from \$400 million to \$435 million; (2) added an uncommitted accordion feature that could increase the maximum commitments up to \$750 million; (3) extended the end of the Credit Facility's revolving period from August 9, 2025 to August 2, 2027 and extended the final maturity from August 9, 2026 to August 2, 2028; and (4) amended several financial covenants.

On December 7, 2023, the Company entered into an Incremental Commitment and Assumption Agreement that increased the total commitments under the accordion feature of the Credit Agreement by \$25 million, which increased total commitments from \$435 million to \$460 million. The \$25 million increase was provided by one new lender, bringing the total bank syndicate to ten participants.

On October 11, 2023, after receiving the requisite shareholder approval, the Company filed an amendment to its Amended and Restated Articles of Incorporation with the office of the Secretary of State of the State of Texas to increase the amount of authorized shares of common stock from 40,000,000 to 75,000,000.

In June 2023, the Company issued approximately \$71.9 million in aggregate principal amount, including the underwriters' full exercise of their option to purchase an additional \$9.4 million in aggregate principal amount to cover over-allotments, of 7.75% notes due 2028 (the "August 2028 Notes"). The August 2028 Notes mature on August 1, 2028 and may be redeemed in whole or in part at any time, or from time to time, at the Company's option on or after August 1, 2025. The August 2028 Notes are the direct unsecured obligations of the Company, rank pari passu with the Company's other outstanding and future unsecured unsubordinated indebtedness and are effectively or structurally subordinated to all of the

Company's existing and future secured indebtedness, including borrowings under the Credit Facility and the SBA Debentures. The August 2028 Notes are listed on the Nasdaq Global Select Market under the trading symbol "CSWCZ."

The Company has an "at-the-market" offering (the "Equity ATM Program"), pursuant to which the Company may offer and sell, from time to time through sales agents, shares of its common stock having an aggregate offering price of up to \$650 million. During the quarter ended December 31, 2023, the Company sold 3,036,234 shares of its common stock under the Equity ATM Program at a weighted-average price of \$21.92 per share, raising \$66.5 million of gross proceeds. On April 20, 2021, our wholly owned subsidiary, Capital Southwest SBIC I, LP ("SBIC I"), received a license from the Small Business Administration (the "SBA") to operate as a Small Business Investment Company ("SBIC") under Section 301(c) of the Small Business Investment Act of 1958, as amended. The SBIC license allows SBIC I to obtain leverage by issuing SBA-guaranteed debentures ("SBA Debentures"), subject to the issuance of a leverage commitment by the SBA. SBA debentures are loans issued to an SBIC that have interest payable semi-annually and a ten-year maturity. The interest rate is fixed shortly after issuance at a market-driven spread over U.S. Treasury Notes with ten-year maturities. On December 20, 2023, SBIC I received an additional leverage commitment in the amount of \$45.0 million to be issued on or prior to September 30, 2028. As of December 31, 2023, SBIC I had a total leverage commitment from the SBA in the amount of \$175.0 million, of which \$45.0 million remains unused.

In November 2015, I-45 SLF entered into a senior secured credit facility led by Deutsche Bank. On March 30, 2023, the I-45 credit facility was amended to permanently reduce total commitments to \$100 million from a group of four bank lenders. After giving effect to the amendment, borrowings under the I-45 credit facility bear interest at a rate equal to Term SOFR plus 2.41%. The I-45 credit facility is scheduled to mature in March 2026. As of December 31, 2023, I-45 SLF had \$52.0 million in borrowings outstanding under the I-45 credit facility. Subsequent to quarter end, I-45 SLF fully repaid and terminated the I-45 credit facility.

Share Repurchase Program

On July 28, 2021, the Company's board of directors (the "Board") approved a share repurchase program authorizing the Company to repurchase up to \$20 million of its outstanding shares of common stock in the open market at certain thresholds below its NAV per share, in accordance with guidelines specified in Rules 10b5-1(c)(1)(i)(B) and 10b-18 under the Securities Exchange Act of 1934. On August 31, 2021, the Company entered into a share repurchase agreement, which became effective immediately, and the Company will cease purchasing its common stock under the share repurchase program upon the earlier of, among other things: (1) the date on which the aggregate purchase price for all shares equals \$20 million including, without limitation, all applicable fees, costs and expenses; or (2) upon written notice by the Company to the broker that the share repurchase agreement is terminated. During the quarter ended December 31, 2023, the Company did not repurchase any shares of the Company's common stock under the share repurchase program.
