March 27, 2024

### Fitch affirms BBB- long-term issuer rating with a stable outlook

DALLAS, March 27, 2024 (GLOBE NEWSWIRE) -- Capital Southwest Corporation ("Capital Southwest") (Nasdaq: CSWC), an internally managed business development company focused on providing flexible financing solutions to support the acquisition and growth of middle market businesses, today announced that Fitch Ratings, Inc. ("Fitch") has affirmed Capital Southwest's investment grade long-term issuer rating of BBB- with a stable outlook.

Factors cited by Fitch in support of its affirmed rating include the first lien senior focus of Capital Southwest's investment portfolio, improving portfolio diversification, above-average asset coverage cushion, consistent operating performance, and strong funding flexibility with demonstrated access to the public debt and equity markets. The stable rating outlook reflects Fitch's expectations for a relatively consistent portfolio mix between first lien debt and equity investments, relatively consistent core earnings generation, and the maintenance of sufficient asset coverage cushion and unsecured funding mix.
