## **Forward-Looking Statements**

This press release contains forward-looking statements and provides historical information with respect to the business and investments of Capital Southwest, including, but not limited to, the preliminary estimates of its second quarter 2023 fiscal year financial information and results, which are based on current information available to Capital Southwest as of the date hereof. The preliminary estimates of the second quarter 2023 fiscal year financial information and estimated results furnished above are based on Capital Southwest management's preliminary determinations and current expectations, and such information is inherently uncertain. The preliminary estimates may not align with Capital Southwest's actual results of operations for the period, which will not be known until Capital Southwest completes its customary quarter-end closing, including the determination of the fair value of Capital Southwest's portfolio investments. As a result, actual results could differ materially from the current preliminary estimates based on adjustments made during Capital Southwest's quarter-end closing and review procedures, and Capital Southwest's reported information in its Quarterly Report on Form 10-Q for the quarter ended September 30, 2022 may differ from this information, and any such differences may be material. In addition, the information furnished above does not include all of the information regarding Capital Southwest's financial condition and results of operations for the quarter ended September 30, 2022 that may be important to readers. As a result, readers are cautioned not to place undue reliance on the information furnished in this press release and should view this information in the context of Capital Southwest's full second quarter 2023 results when such results are disclosed by Capital Southwest in its Quarterly Report on Form 10-Q for the quarter ended September 30, 2022. The information furnished in this press release is based on current Capital Southwest management expectations that involve substantial risks and uncertainties that could cause actual results to differ materially from the results expressed in, or implied by, such information.

Forward-looking statements are statements that are not historical statements and can often be identified by words such as "will," "believe," "expect" and similar expressions and variations or negatives of these words. These statements are based on management's current expectations, assumptions and beliefs. They are not guarantees of future results and are subject to numerous risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statement. These risks include risks related to: changes in the markets in which Capital Southwest invests; changes in the financial, capital, and lending markets; changes in the interest rate environment; regulatory changes; tax treatment and general economic and business conditions; our ability to operate our wholly owned subsidiary, Capital Southwest SBIC I, LP, as a small business investment company; and uncertainties associated with impact from the COVID-19 pandemic, including its impact on the global and U.S. capital markets and the global and U.S. economy, the length and duration of the COVID-19 outbreak in the United States as well as worldwide and the magnitude of the economic impact of that outbreak; the effect of the COVID-19 pandemic on our business prospects and the operational and financial performance of our portfolio companies, including our ability and their ability to achieve their respective objectives, and the effects of the disruptions caused by the COVID-19 pandemic on our ability to continue to effectively manage our business.

Readers should not place undue reliance on any forward-looking statements and are encouraged to review Capital Southwest's Annual Report on Form 10-K for the year ended March 31, 2022 and subsequent filings, including the "Risk Factors" sections therein, with the Securities and Exchange Commission for a more complete discussion of the risks and other factors that could affect any forward-looking statements. Except as required by the federal securities laws, Capital Southwest does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events, changing circumstances or any other reason after the date of this press release.
