Item 4. Description of Securities.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Article 2.02-1 of the Texas Business Corporation Act provides that any director or officer of a Texas corporation may be indemnified against judgments, penalties, fines, settlements and reasonable expenses actually incurred by him in connection with or in defending any action, suit or proceeding in which he is a party by reason of his position with the corporation. With respect to any proceeding arising from actions taken in his official capacity, as a director or officer, he may be indemnified if it is determined that he conducted himself in good faith and that he reasonably believed that such conduct was in the corporation's best interests. In cases not concerning conduct in his official capacity as a director or officer, a director may be indemnified as long as he conducted himself in good faith and reasonably believed that his conduct was not opposed to the corporation's best interests. In the case of any criminal proceeding, a director or officer may be indemnified if he had no reasonable cause to believe his conduct was unlawful. If a director or officer is wholly successful, on the merits or otherwise, in connection with such a proceeding, such indemnification is mandatory.

Our Articles of Incorporation, as amended, provide for indemnification of our present and former directors, officers and employees, and those of our affiliates, Capital Southwest Management Corporation and Capital Southwest Venture Corporation.

Our Articles of Incorporation, as amended, provide that we may only provide indemnification to the extent permitted by or not prohibited by the Investment Company Act of 1940, as amended, and the rules and regulations of the SEC.

We entered into Indemnification Agreements with all of our directors and officers and may in the future enter into such indemnification agreements with our directors, officers, employees and agents. Such indemnification agreements are intended to provide a contractual right to indemnification, to the extent permitted by law, for any and all judgments, penalties (including excise and similar taxes), fines, settlements and reasonable expenses (including attorneys' fees) actually incurred by the person to be indemnified in connection with any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitral or investigative, any appeal in such action, suit or proceeding, and any inquiry or investigation that could lead to any such action, suit or proceeding, by reason of such person's service in such position. Such indemnification agreements do not change the basic legal standards for indemnification set forth in the Texas Business Corporation Act or our Articles of Incorporation, as amended. Such provisions are intended to be in furtherance, and not in limitation of, the general right to the indemnification provided in our Articles of Incorporation, as amended, and our Bylaws.

Item 7. Exemption From Registration Claimed.

Not applicable.

Item 8. Exhibits.

Item 9. Undertakings.

The undersigned registrant hereby undertakes:

(1) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
