Capital Southwest Shareholders – Your Vote Matters

We are approaching our Annual Meeting of Shareholders on July 22, 2026, and your participation is important.

By now, you should have received proxy materials outlining the proposals being considered for a shareholder vote. Of particular importance, you will be asked to vote to approve an amendment to our charter to increase the number of authorized shares from 75,000,000 to 135,000,000 shares. We believe that the additional authorized shares of common stock available for possible future issuances will allow us to continue our strong track record of growing our asset base by pursuing attractive investment opportunities consistent with our investment strategy.

It is extremely important that your shares be represented at the Annual Meeting, regardless of whether you plan to participate in the annual meeting. Your vote is very important to us, regardless of the number of shares you hold.

- ✓ Voting is quick and easy
- ✓ Vote online, by phone, or by mail
- ✓ No need to attend the meeting to participate

If you've already voted, no further action is needed.
If not, we encourage you to take a moment to vote today.

We appreciate your continued support.
