## Capital Southwest Announces Special Dividend of \$0.26 per Share and Quarterly Dividend of \$0.19 per Share for Quarter Ended March 31, 2017

**Dallas, Texas – February 28, 2017** – Capital Southwest Corporation (“Capital Southwest” or the “Company”; Nasdaq: CSWC) today announced its Board of Directors has declared a special dividend of \$0.26 per share, generated from the Company’s significant amount of realized gains over the prior 12 months. In addition, the Board of Directors declared a quarterly dividend of \$0.19 per share for the quarter ended March 31, 2017.

The Company’s dividends will be payable as follows:

### March 31, 2017 Quarterly Dividend

Bowen Diehl, the Company’s President and CEO, stated, “Though early on in our life cycle, we believe this special dividend, generated from realized gains harvested over the past 12 months, represents tangible evidence of the potential risk adjusted returns of our investment strategy. We are excited to be able to share these successes as we demonstrate the shareholder alignment of our internally-managed structure. We hope to generate additional realized gains from our investment strategy in the future which will continue to enhance the total return to our shareholders. Overall, we are pleased with the growth and performance of our investment portfolio with increases in recurring portfolio income supporting increases in our quarterly dividend, as we progress towards a fully-invested portfolio capable of paying a market dividend.”

When declaring dividends the Board of Directors reviews estimates of taxable income available for distribution, which may differ from net investment income under generally accepted accounting principles. The final determination of taxable income for each year, as well as the tax attributes for dividends in such year, will be made after the close of the tax year.

Capital Southwest maintains a dividend reinvestment plan ("DRIP") that provides for the reinvestment of dividends on behalf of its registered stockholders who hold their shares with Capital Southwest’s transfer agent and registrar, American Stock Transfer and Trust Company. Under the DRIP, if the Company declares a

dividend, registered stockholders who have opted in to the DRIP by the dividend record date will have their dividend automatically reinvested into additional shares of Capital Southwest common stock.
